Troll Ski Hill

Grades 4 to 7 went to Troll Ski Hill for a few days of skiing and snowboarding. Students take a lesson with a ski instructor and then they have time to practice the skills they learn.

St. Ann's School Newest Member

This is Trevor. He is the class pet in Grade 1/2. He is a cross between a Lion's mane and rabbit. I am sure the class and Trevor are going to have many adventures and memories made for the rest of the year!

Saint Families

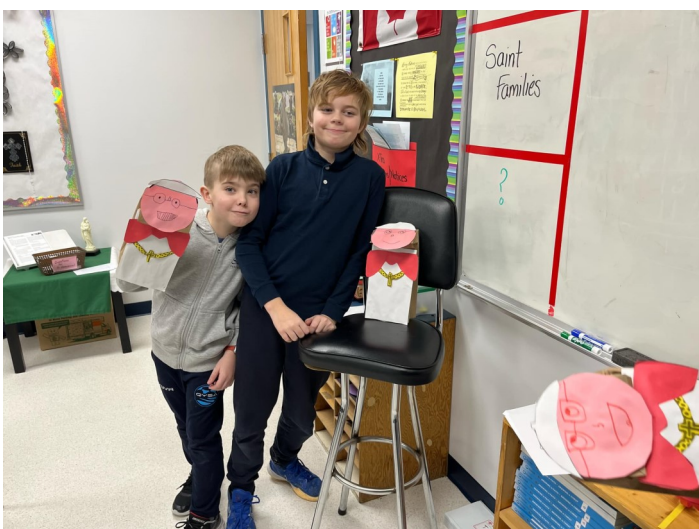

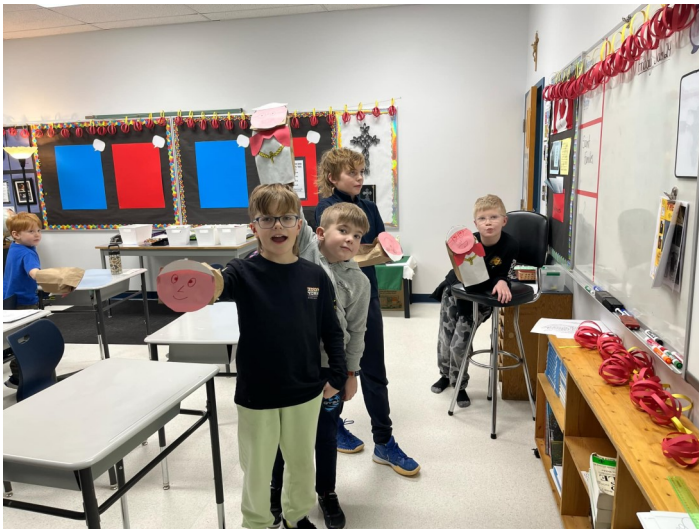

Ms. Novak's Saint Family is learning about St. Kateri. She is a patron Saint of Indigenous people, ecology, and the environment. Students in this group made bird feeders that they will hang in the trees for the birds to snack on.

Ms. Milley's Saint is Saint Christopher. He is the patron saint of travel. Students designed, built and raced boats for their fun activity.

Mr. Weston's Saint Family project was to make a puppet of Saint Francis. Fun fact, Pope Francis loved pizza.

K/1 Sledding!

The K/1 class finished up their unit on Winter and celebrated by going out sledding! Thankfully Mother Nature finally gave us some snow. Lots of smiles and laughter when there is snow and sleds around.
